Trainee's feedback:

Dashrat bhai visited GVT-VTC on 23.5.2012 just to meet the faculty members and GVT staff. He shared with us that he has joined a construction company at Dahod since May 2012.

He said I have got good learning experience and exposure with GVT -VTC and because of that I got a job at Dahod itself. He added, "Before training I didn't know enough about the tools and equipment used in Masonary work, its name, safety precaution required, role of Supervisor, task of supervisor their responsibilities etc. I got information about all these equipments during my training period. This new information and techniques enhanced my capability and knowledge. Now I am confident to handle a site independently. My quality of work is appreciated by engineers and architects visited my work at site, time to time. It gives me a sense of satisfaction and I get motivated to work even better. Although I am still learning various new things while working at practical field but I have developed an ability to understand new concepts, methods etc. easily.

"When we asked about his earning, he said "Before training I was not involved in any kind of work but just after the training I got an offer with a company based at Dahod and involved in Building construction work. Presently I got a supervisor post in that company and I started my work. He also said that in this field after some year of experience one can easily jump with good earning. And I am trying for the same. Regarding this I am very much thankful to GVT-VTC where I got intensive training and as a result I got a job at near my place. During the training period technical training with practical learning improves my quality, knowledge and ability too. I heartily thanks to entire team and project Vanbandhu

Kaylyan Yojna, govt. of Gujarat, tribal development department for this skill training programme.

Trainees Feedback:

Subhash bhai Mathur visited GVT-VTC on 15.6.2012 to collect his certificate. We asked him about his present working status, he immediately started explaining about his work , he said that he is associated with a contractor, Mr. Bharat bhai ,and he is from the same village of which he belongs. He said after completion of the training programme I discussed about my learning, skill, knowledge with contractor and he become very impress for my training. After listening me he said now you are coming to Ahmedabad with me. After that I went to Ahmedabad with him and start working and earning. In the beginning he paid me Rs. 350/per day. But After two months he started giving me 450/-per day.

Subhash Bhai said with us it is possible because of my good learning experience and exposure with GVT -VTC I am earning Rs. 10,000 to 12,000/- per month. This new information and practical work improve my capacity knowledge and capability, and now I am earning more than what I was expecting. My family member are very happy. I am sending money to home and my kids are going to school regularly also they have joined tuition class. I want them to so more study.

My heartily thanks goes to GVT-VTC team, Tribal Development Department and vanbandhu kalian Yojna from my bottom of my heart. Thanks to everything for making my future bright.
