

GVT-Krishi Vigyan Kendra, Godda

1. Participation in Indian Science Council

GVT-KVK, Godda was invited to take part in Indian Science Council held at Kolkata from 3rd to 5th January-2013. GVT-KVK, Godda participated in it and displayed an exhibition stall at the council. The meeting was inaugurated by Honourable Prime Minister, Dr Manmohan Singh.

Indian Council of Agricultural Research (ICAR) was welcomed by the Indian science council for the first time. As the meeting was at Kolkata therefore Zone -II of ICAR played a key role representing the ICAR as a whole. Among the 80 KVKs of Zone-II, 3 KVKs were invited in which KVK-Godda was one of the three.

2. Participation in Agriculture Mela on 26th January, 2013

at Godda: Every year an agricultural mela is organized by district authority at Mela ground, Godda. The mela continues for one week. The aim of the mela is to

disseminate and extend the agriculture

technologies and new methods of agriculture. In this mela

district line department is allowed to put up a

stall for exhibition. KVK Godda also participated in mela on 26th Jan. 2013, the mela was inaugurated by DC (Deputy Commissioner), Godda.

3. Technology Week: Technology week is organized to showcase the different emerging technologies through live demonstrations as well as to enhance the transfer of technology process.

Moreover, celebration of such programme is found to be helpful in pursuit for knowledge empowerment of farmers, extension personnel and other stakeholders in the district. Keeping the above benefits in mind, technology week is being

organized by the GVT- Krishi Vigyan Kendra, Godda (Jharkhand) from 30.01.2013 to 03.02.2013.
