

GVT-Krishi Vigyan Kendra, Godda organizes 7-day MALI Training

MALI Training: 7-day training was organized for rural youth having a little or basic knowledge of horticulture from 11.03.2013 to 18.03.2013. This training was sponsored by District Horticulture Department, Godda and the training facilitator was Dr. H. K. Chaurasia, SMS-Horticulture. Total eight village youth participated in this residential

training. They were trained on various horticultural aspects like orchard management, nursery raising of different horticultural crops, practical skill development for raising planting materials through different methods of propagation like cutting, layering, budding, grafting etc., scientific cultivation of different variety of vegetables, maintenance and management of garden and orchard etc.
