

GVT organizes Farmer's Day at Rama Block in Jhabua

GVT Jhabua organized a farmer's day which was held at block Rama district Jhabua on 23rd September 2013. About 500 farmers were mobilized by GVT for adopting agricultural and horticulture technologies through NABARD-TDF Project "Mandav WADI".

Mr. Rajeev Khanna, RPM Jhabua described about the GVT's ongoing projects and how tribal are benefited through new technologies. He also approached the farmers for enhancing their incomes through vegetable cultivation from Mandav Wadi. About 500 farmers gained knowledge and innovative ideas about new agriculture and horticulture technologies. Through this training, GVT Jhabua approached the farmers for adopting new technologies and join NABARD-TDF Wadi programme to sustain their livelihood. Mr. Sanjay Arohan, DDM-NABARD; Dr. I. S. Tomar, KVK Scientist; Shri Somsingh Solanki, Marketing Director of Jhabua; and Sarpanchs of those villages also advised the farmers to join GVT and enhance their livelihood.

GVT Jhabua Staff interacting with farmers to adopt new horticulture & agricultural technologies
