

## with Disabilities for their Livelihoods” ve of Gramin Vikas Trust

Gramin Vikas Trust has added a new avenue in Development Sector by addressing the vulnerable section of the community . **“Disabled Person”**. A Skill & Entrepreneurial Development Programme for Persons with Disabilities has been started. GVT has established Centres for imparting training to the Disabled persons

at Ranchi & Pakur (Jharkhand) and Balasore (Odisha) respectively. The Programme is supported by Finance & Development Corporation under Ministry of Social Justice & Empowerment, Govt. of India.

Initially 3 batches (one in each Centre) have been enrolled for different courses i.e. %Basic Computer+, %Desktop Publishing+ and %Computer Hardware+. The objective of the Training Programme is to provide skill to the disabled persons which will help in getting the employment and support in their livelihoods.

An inaugural function has been organized in Balasore, Odisha on 11<sup>th</sup> January 2014. The enrolled disabled youths and large number of villagers have attended the Programme and appreciated the initiative of GVT in favour of most vulnerable section of communities. Similarly, a Training Centre has been started in Ranchi and Pakur of Jharkhand.
