

CONTRIBUTION OF 3000 SAPLINGS OF TEAK TO THE MOTHER EARTH on NABARD FOUNDATION DAY AT CHANDLA VILLAGE UNDER IGWDP MINAKYAR

Gramin Vikas Trust-Gujarat is implementing Indo German Watershed Development program-Minakyar which is being funded by NABARD & KFW Germany since 2009. The project spreads in 1536.96 ha area covering 5 villages of Garbada Taluka of Dahod Dist, Gujarat. The project aim for Sustainable livelihood for rural poor through participatory and community based Natural Resource Management. The project laid its focus on three components which can be cited as Agriculture Development, Soil & Water conservation and Social development which is especially meant for landless farmers & drudgery reduction of the women.

A program has been conducted by Gramin Vikas Trust on 22nd of August 2014 at Minakyar- chandla to commemorate 33rd Foundation Day of NABARD. On the day school children, Villagers, representatives of Taluka Panchayat, village Sarpanch & GVT-officials have been attended the program and a total of 3000 teak saplings have been planted in Minakyar, Chandla, Nalvai, Bhutardi & Patiyazol village.
