Objective of the Programme: Gramin Vikas Trust organize a awareness meeting on 22May,2012 at GVT Premises in Chaklia Road to create awareness among the Sarpanch, Talati of dahod district regarding the Candidate mobilization for Vocational training programme's information for tribal youth skilled development training on construction sector:

- To involve village level Sarpanch and talati for GVT-VTC candidate mobilization
- Information disseminate about GVT-VTC door to door and village to village
- Involvement of various target group for spreading the VTC information
- To reach and cover each household for VTC training & its benefits for the tribal youth
- To provide information of Vanbandhu kalyan Yojna and GVT-VTC
- To create awareness among sarpanch and Talati about GVT-VTC
- To show the facility available with VTC.

Welcoming the dignitaries present during the awareness meeting by *Ms. Sanjeeda Saiyad* – GVT-VTC, delivered the highlights of the vanbandhu kalyan Yojna and vocational training programme information. The status of the VTC and its achievement has been shared. The current placement of the trained candidate and their progress also shared.

Mr. Vishv Bhushan, Project Manager, GVT-VTC made a welcome address of the dignitaries present in the meeting. He shared the journey of the gvt-rtc and the constant support from tribal development department and other people.

Mr. Shital Sharaf- GVT-VTC, made a presentation of GVT-VTC its Mission, vision, objectives and the approach and strategies towards the VTC implementation process. How rtc supports and improve the tribal youth's capacity, capability and employment opportunity in the construction sector.

Deputy Regional Manager Mr. Paresh Parmar made the presentation about Jaypee cement its mission, vision, objectives, working area, approach, its importance, etc. Through this company

Paresh bhai distributed small gift (a pen, note, water bottle, pamphlet) for all participants also he sponsored the lunch for all the participants. He also shown his concern to maintain the relationship with GVT-VTC and support each other as on need.

Mr. A.K. Jain, Technical Advisor, GIZ IS shared the role and responsibility of GIZ owned by Federal Republic of Germany and working for international cooperation focusing on capacity building and sustainable development. It is technically supporting Government of Gujarat on VTC project by curriculum development, Instructional Material Development, Networking and Linkages with National & international organizations and Training of Trainers. He explained with small story about the Rabbit and Tortoise (*Slow and steady win the race, it is not the end jointly work together make a difference and achieve the goal of any project*)

The Chief Guest Dr. R.H.Nayak. Assistant Project Administrator, TASP, Dahod addressed about the Government perspective on skill development programmes. He elaborated in detail regarding the whole concept and the approach adopted in the establishment of VTC's in Various TASP regions of Gujarat and also stated about the Government expectations from them. He shared his experiences in his building construction and the importance of the trained Mason, plumber their working style and their quality of work. He also motivated participants about their recognition in this task , if they motivated or mobilized candidate their success or achievement must be acknowledged through district information centre and also in local Panchyat news bulletin.

Ms. Bhanumati ben explained the importance of local product and high quality product its durability, its finishing, its importance and its attractiveness of the product. The differences between these aspects have been explained with participants. She shared that our youth are just working and earning low wages but if they trained and they work they will able to demand more and more also their skilled improved. After that they will built the quality work. She gave a very relevant presentation and motivated the participants.

The programme ended with Vote of thanks by *Dr. J. P. Yadavendra Sr.* consultant GVT, followed by lunch and interaction.
